Driveways

Beginning this year, driveways that have reached five years old will be repaired/repaved. This is the recommended settling in period by the builder D. R. Horton. These driveways are the southern 1/3 of homes on Inca.

All driveways will be seal coated later this summer.

Decks

Five decks will be finished in May that was missed last fall. If you have one of the decks, you will be notified about one week before the maintenance work is done.

Landscape Committee

Annual Walk around

The Landscape committee will be walking around the area soon to inspect trees/shrubs.
