Dog Waste Complaints

We have received complaints on dog waste. Here is one of them. "Somebody is not cleaning up after their dog! We think, judging by the dropping size, it's probably a medium size dog. In all likelihood, the culprit is not from our neighborhood, because we've noticed that our neighbors who have dogs do clean up after theirs. This has occurred within the past month, as we've never noticed this before. My plea is if anyone notices dog fanciers not cleaning up after their dogs, to gently remind them to do so. Thank you."
