

Dodd Marsh Highlands Town Home Association

March Board Update

Home owner input needed:

Thank you for your input on the back deck/patio lights. Replacement of the light fixtures are being quoted for replacement.

Ed has received some requests to replace defective or rotten deck boards. The Architectural Committee can not examine the elevated decks on the west side so please let Ed know if any of your deck boards need work.

Architectural and Landscape Committees:

Both committees will be conducting walk throughs of the association to identify issues needing attention and work needing done.

Upcoming work:

- Apple tree spraying is scheduled for late spring. Ed will notify us on schedule.
- Deck maintenance this year will focus on replacing rotten or broken deck boards.

Current issues under consideration:

- Leasing change to Declaration. The board continued the discussion from the home owner input at the annual meeting.

If you do not have a copy of the association declarations and bylaws, please let Ed Burek know so he can get you a copy or go on line to read or print a copy.

Thanks for your interest in our association.
